

FAQs

**MURGON
MUNCHIES**
SMALL BATCH DOG TREATS

TRIMMED
BY HAND

SLOWLY
AIR DRIED

Q. HOW ARE YOUR TREATS MADE?

A. All of our small batch dog treats are made with 100% Australian beef, which has been hand-trimmed and air dried. Our drying process cooks our beef at a low temperature (typically ranging from 50-70°C) between 20 – 48 hours. Air drying helps hold nutrient benefits in product - and gives your pooch endless chewy goodness.

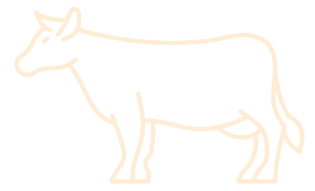

Q. WHERE DO YOU MAKE YOUR TREATS?

A. Our Munchies are proudly made in Murgon, located in the canine-friendly, rural South Burnett region of South-East Queensland. We are proud to be part of this vibrant country town.

Q. DO YOU ONLY USE AUSTRALIAN BEEF?

A. Yes. All our Munchies are only made with 100% Australian beef.

100% AUSSIE BEEF

Q. DO YOU ADD ANYTHING TO YOUR PRODUCT?

A. No. All our Munchies are 100% Beef. Nothing else. No fillers - No Grains - No Corn - No Wheat - No Soy. Nothing but pure beef. Our range is all natural, high in protein, low fat, vitamin, and mineral-rich.

100% SINGLE
INGREDIENT

Q. WHERE DO YOU SOURCE YOUR BEEF?

A. We have direct relationships with Aussie producers, and only use ethically & sustainability sourced 100% Australian beef. We are proudly 100% Aussie – working with 100% Aussie Producers and 100% Australian Beef and all our Munchies are 100% Australian made.

Q. WHAT ARE YOUR MANUFACTURING STANDARDS?

A. All our Munchies are made in a food safe environment, with strong certification standards. Our facilities are HACCP accredited. We care about your four-legged family member health and safety.

ALL NATURAL
INGREDIENTS

Q. ARE YOUR DOG TREATS FLAVOURED?

A. No – our Munchies contain no added or artificial flavours. They are all additive free, preservative free and chemical free. They are all single ingredient with nothing added.

Q. ARE YOUR TREATS GOOD FOR ALL SIZED DOGS?

A. Our Murgon Munchies treats make for a great reward for your dog and perfect for training. Dogs of all sizes can enjoy Murgon Munchies - Small, Medium and Large Breeds + Power Chewers. Check out the Chew Meter on our products for suggestions!
